

Allegheny Places Grant & Permit Consistency Review Checklist:

Utility Infrastructure Projects

Project Name:		
Municipality/municipalities:		
Applicant:		
Contact name & phone #:		
Grant source & program:		
Amount requested:		
Match amount (if any):		Source:

State permits and grants for utility infrastructure projects must be reviewed for consistency with *Allegheny Places*, the Allegheny County comprehensive plan. Applicants are advised to consult the following Plan elements and maps in particular:

Future Land Use Plan, Chapt. 4A	Future Land Use, Map 4A.1
Utilities Plan, Chapt. 4J	Public Water Supply Service Areas, Map 4J.1
	Wastewater Collection/Treatment..., Map 4J.2
	PA Act 167 Designated Watersheds..., Map 4J.3
Environmental Resources Plan, Chapt. 4K	Hydrology, Map 4K.1

Allegheny Places elements and maps listed above are available at the *Allegheny Places* website, at www.alleghenyplaces.com.

for County use only:
